

Innovation Through Heritage

AIR HANDLING SYSTEMS LTD

Quality Policy Statement - 2010

QUALITY POLICY STATEMENT

“We fully recognise that our success as a business is entirely dependent on our continued ability to enable our customers success.” **ANDY MORTON - QUALITY MANAGER**

The policies through which we strive to achieve this goal are detailed below:

CUSTOMERS

We will make the **SATISFACTION** of our customer's needs our **PRIMARY GOAL** by working with them to establish and **SATISFY** their requirements now and in the future.

STAFF

We will promote an environment that **RECOGNISES** the contribution of our staff to the success of the business and **ENCOURAGES** their involvement and continued development.

SCOPE

The general philosophies represented in this document (AHS Quality Manual 2010 - available on request) will be applied to control all the Company's activities associated with the processing of customer orders within the scope of approval in the design & manufacture of air handling systems.

COMPETITION

We will aim to provide consistently better **PRODUCTS** and **SERVICE** than our competitors in those markets in which we compete.

TRAINING

We will aim to provide the appropriate **TRAINING** and **EDUCATIONAL** opportunities and resources to support the achievement of business objectives.

RESPONSIBILITY OF QUALITY

It is the responsibility of the management to lead the **ISO9001:2008 QUALITY MANAGEMENT PROGRAMME** and to involve all staff in a continuous improvement philosophy through **EFFECTIVE TEAMWORK**.
